

The first day...

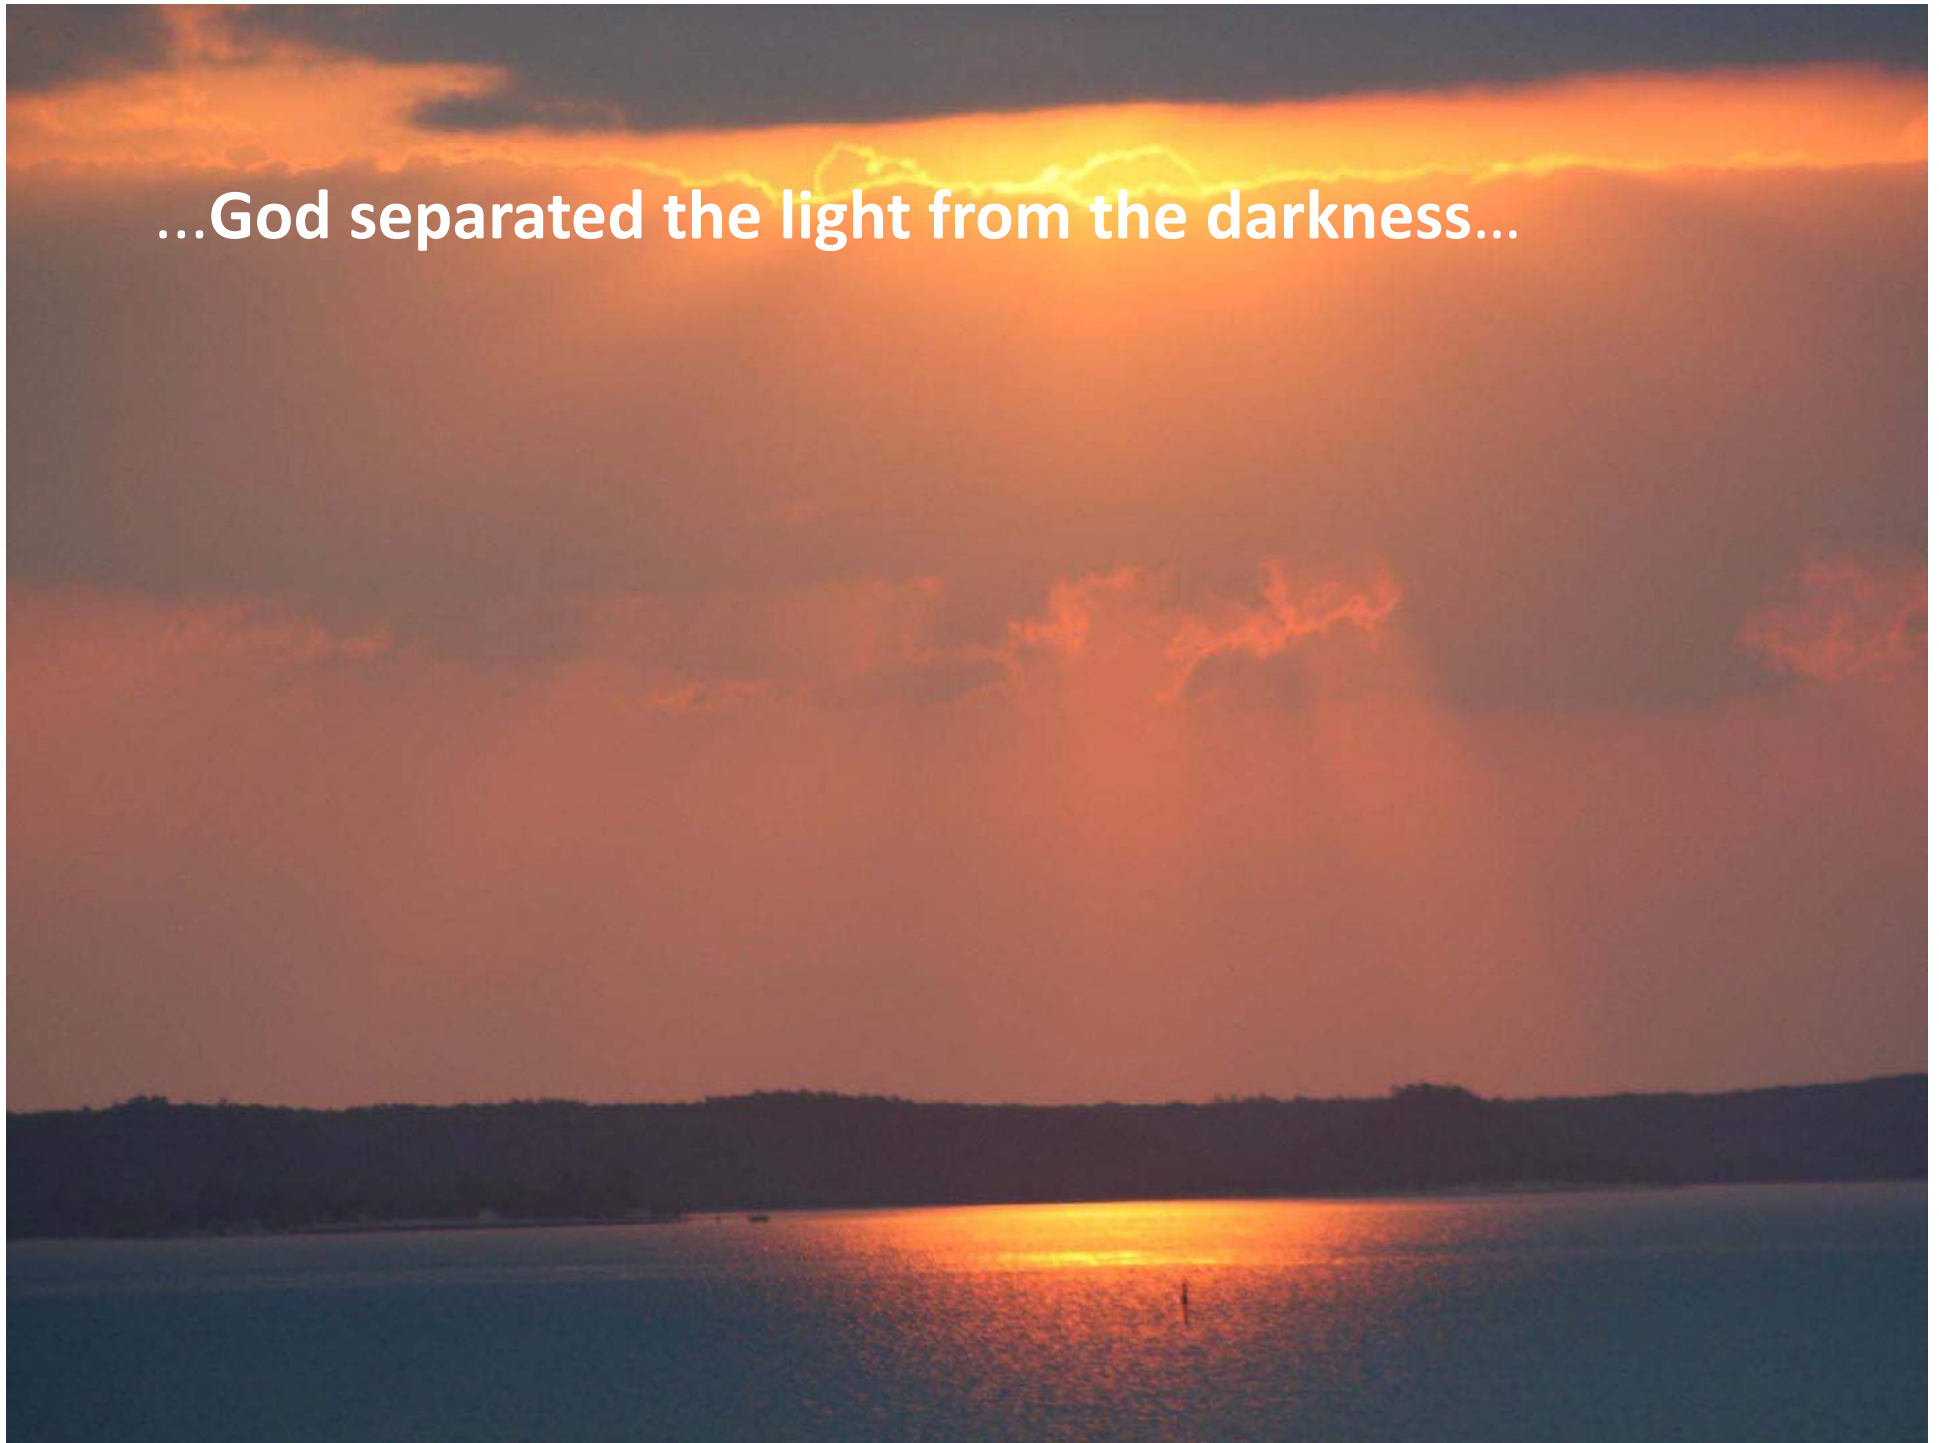

...God swept over the face of the waters...

...let there be light...

...God separated the light from the darkness...

A person is silhouetted while standing in a small boat on a calm body of water. The sun is low on the horizon, creating a vibrant orange and yellow glow that reflects across the water's surface. The sky is filled with soft, horizontal clouds, and the overall atmosphere is peaceful and contemplative.

...God saw that the light was good...

...there was evening and there was morning,
the first day...

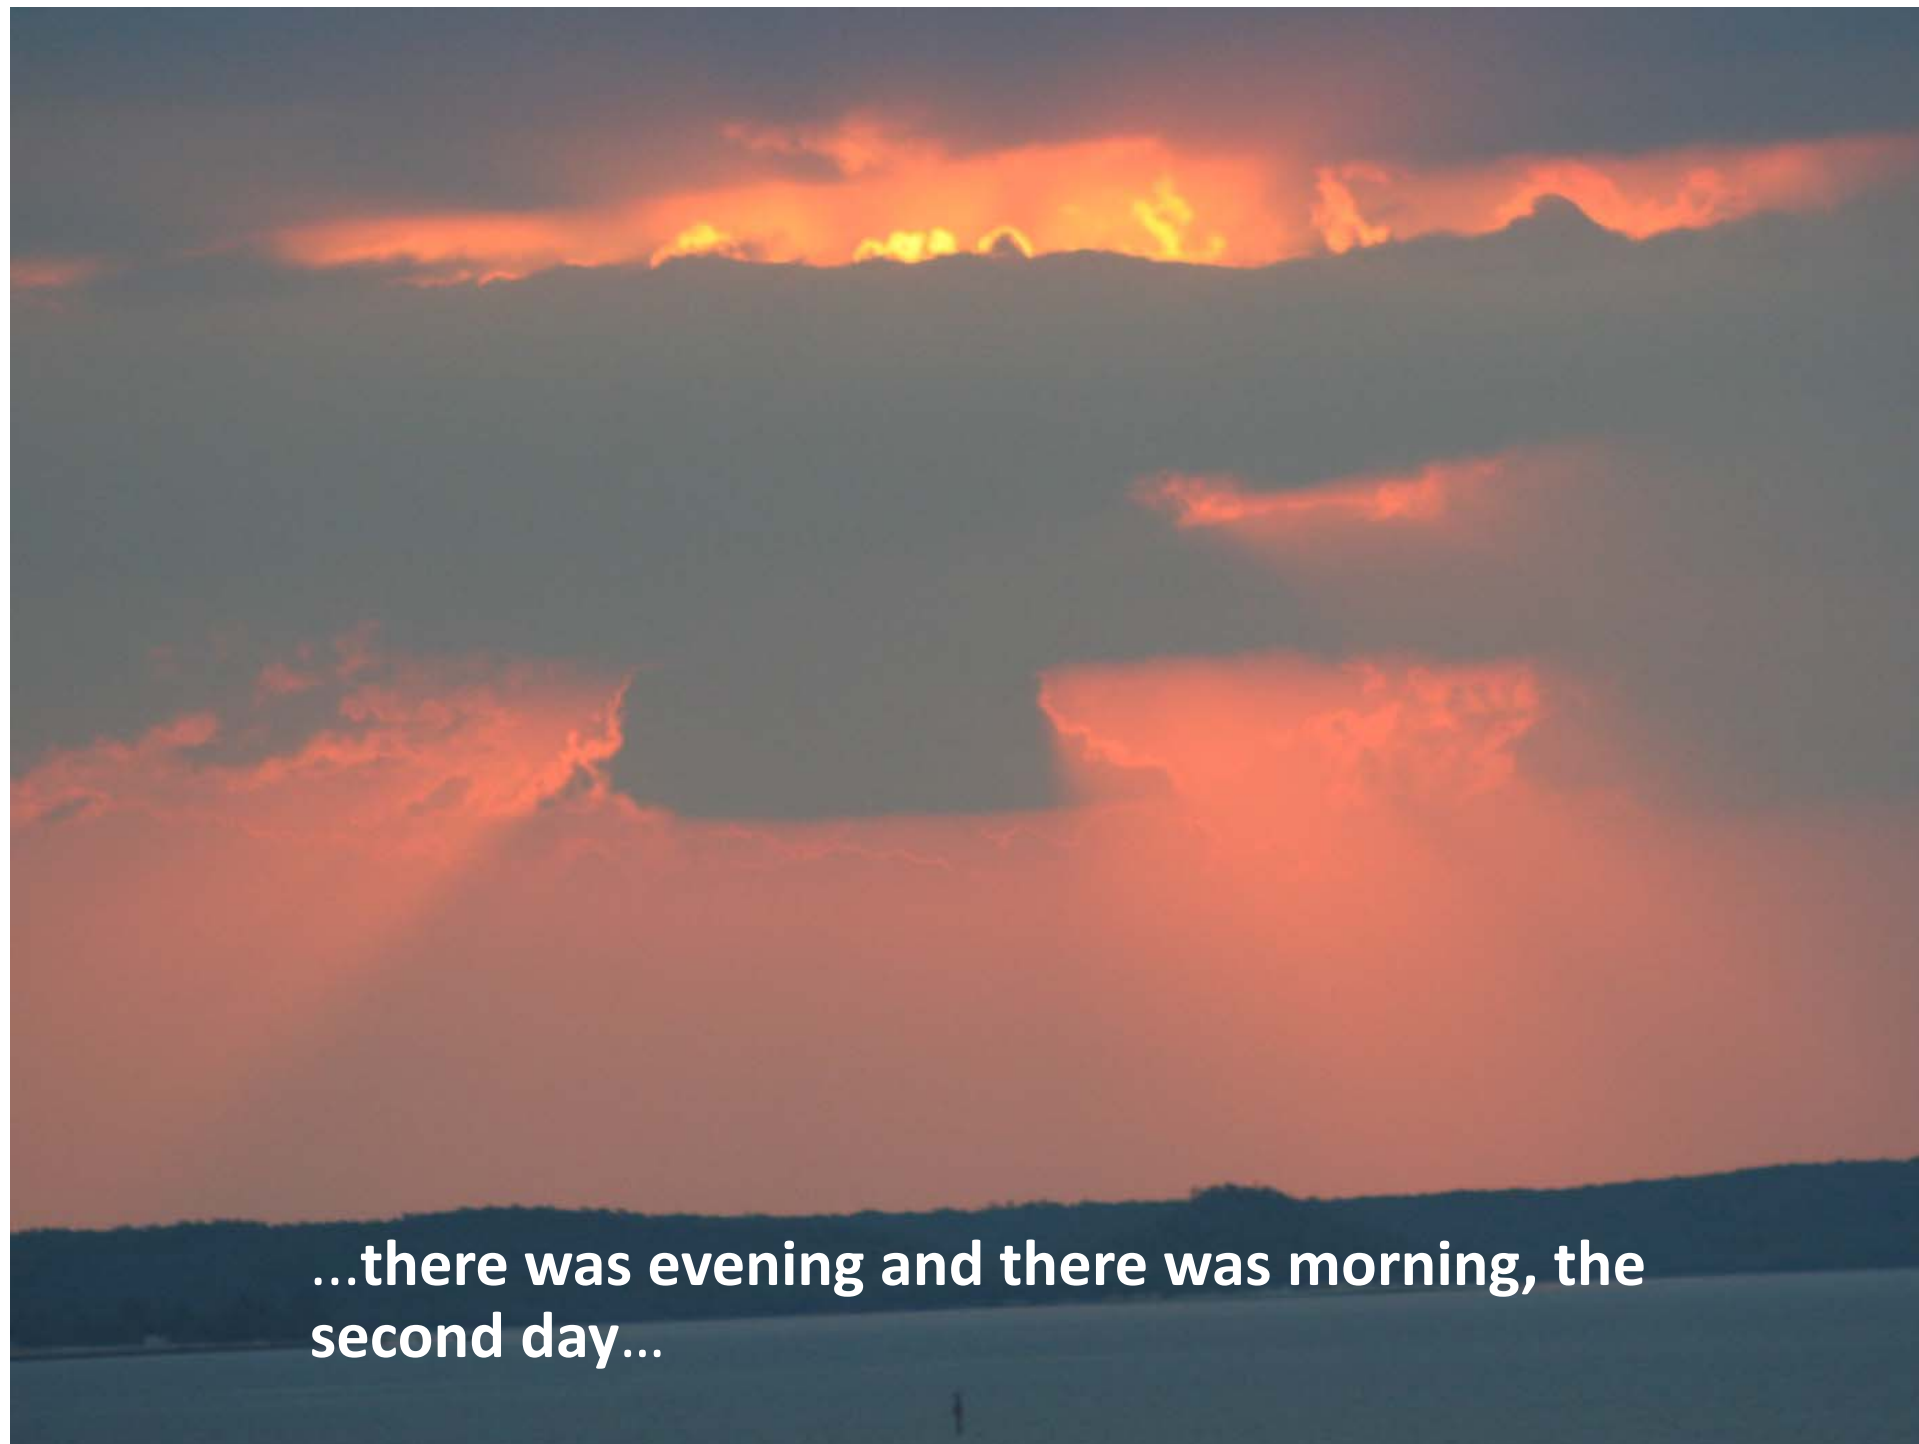

The second day...
...let there be a dome...

...God called the dome Sky...

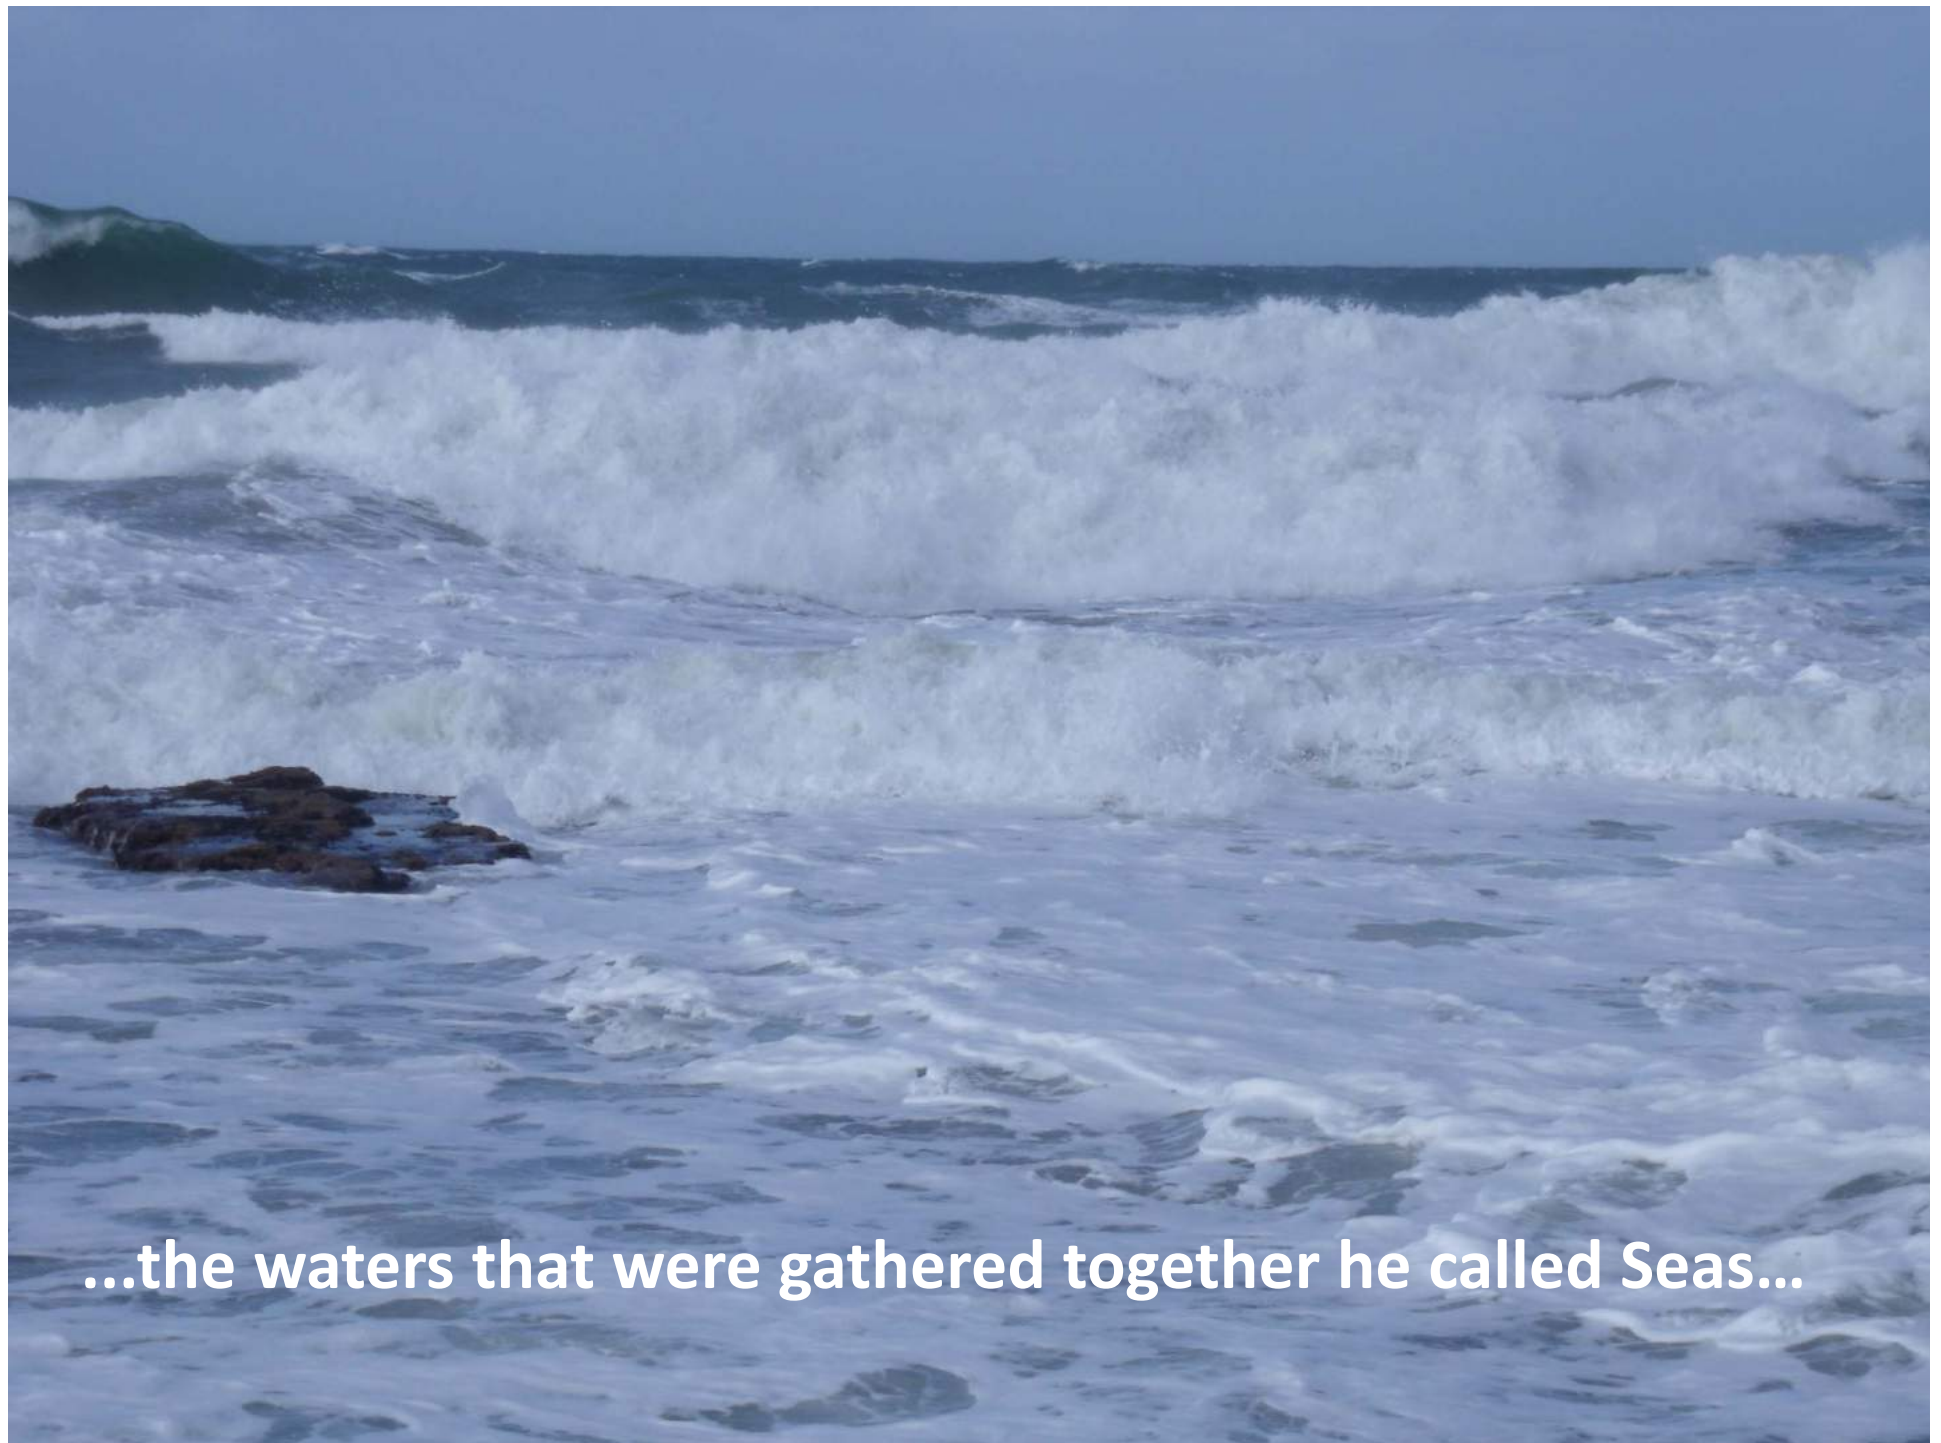

**...there was evening and there was morning, the
second day...**

The third day
...let the dry land appear...

...God called the dry land Earth...

...the waters that were gathered together he called Seas...

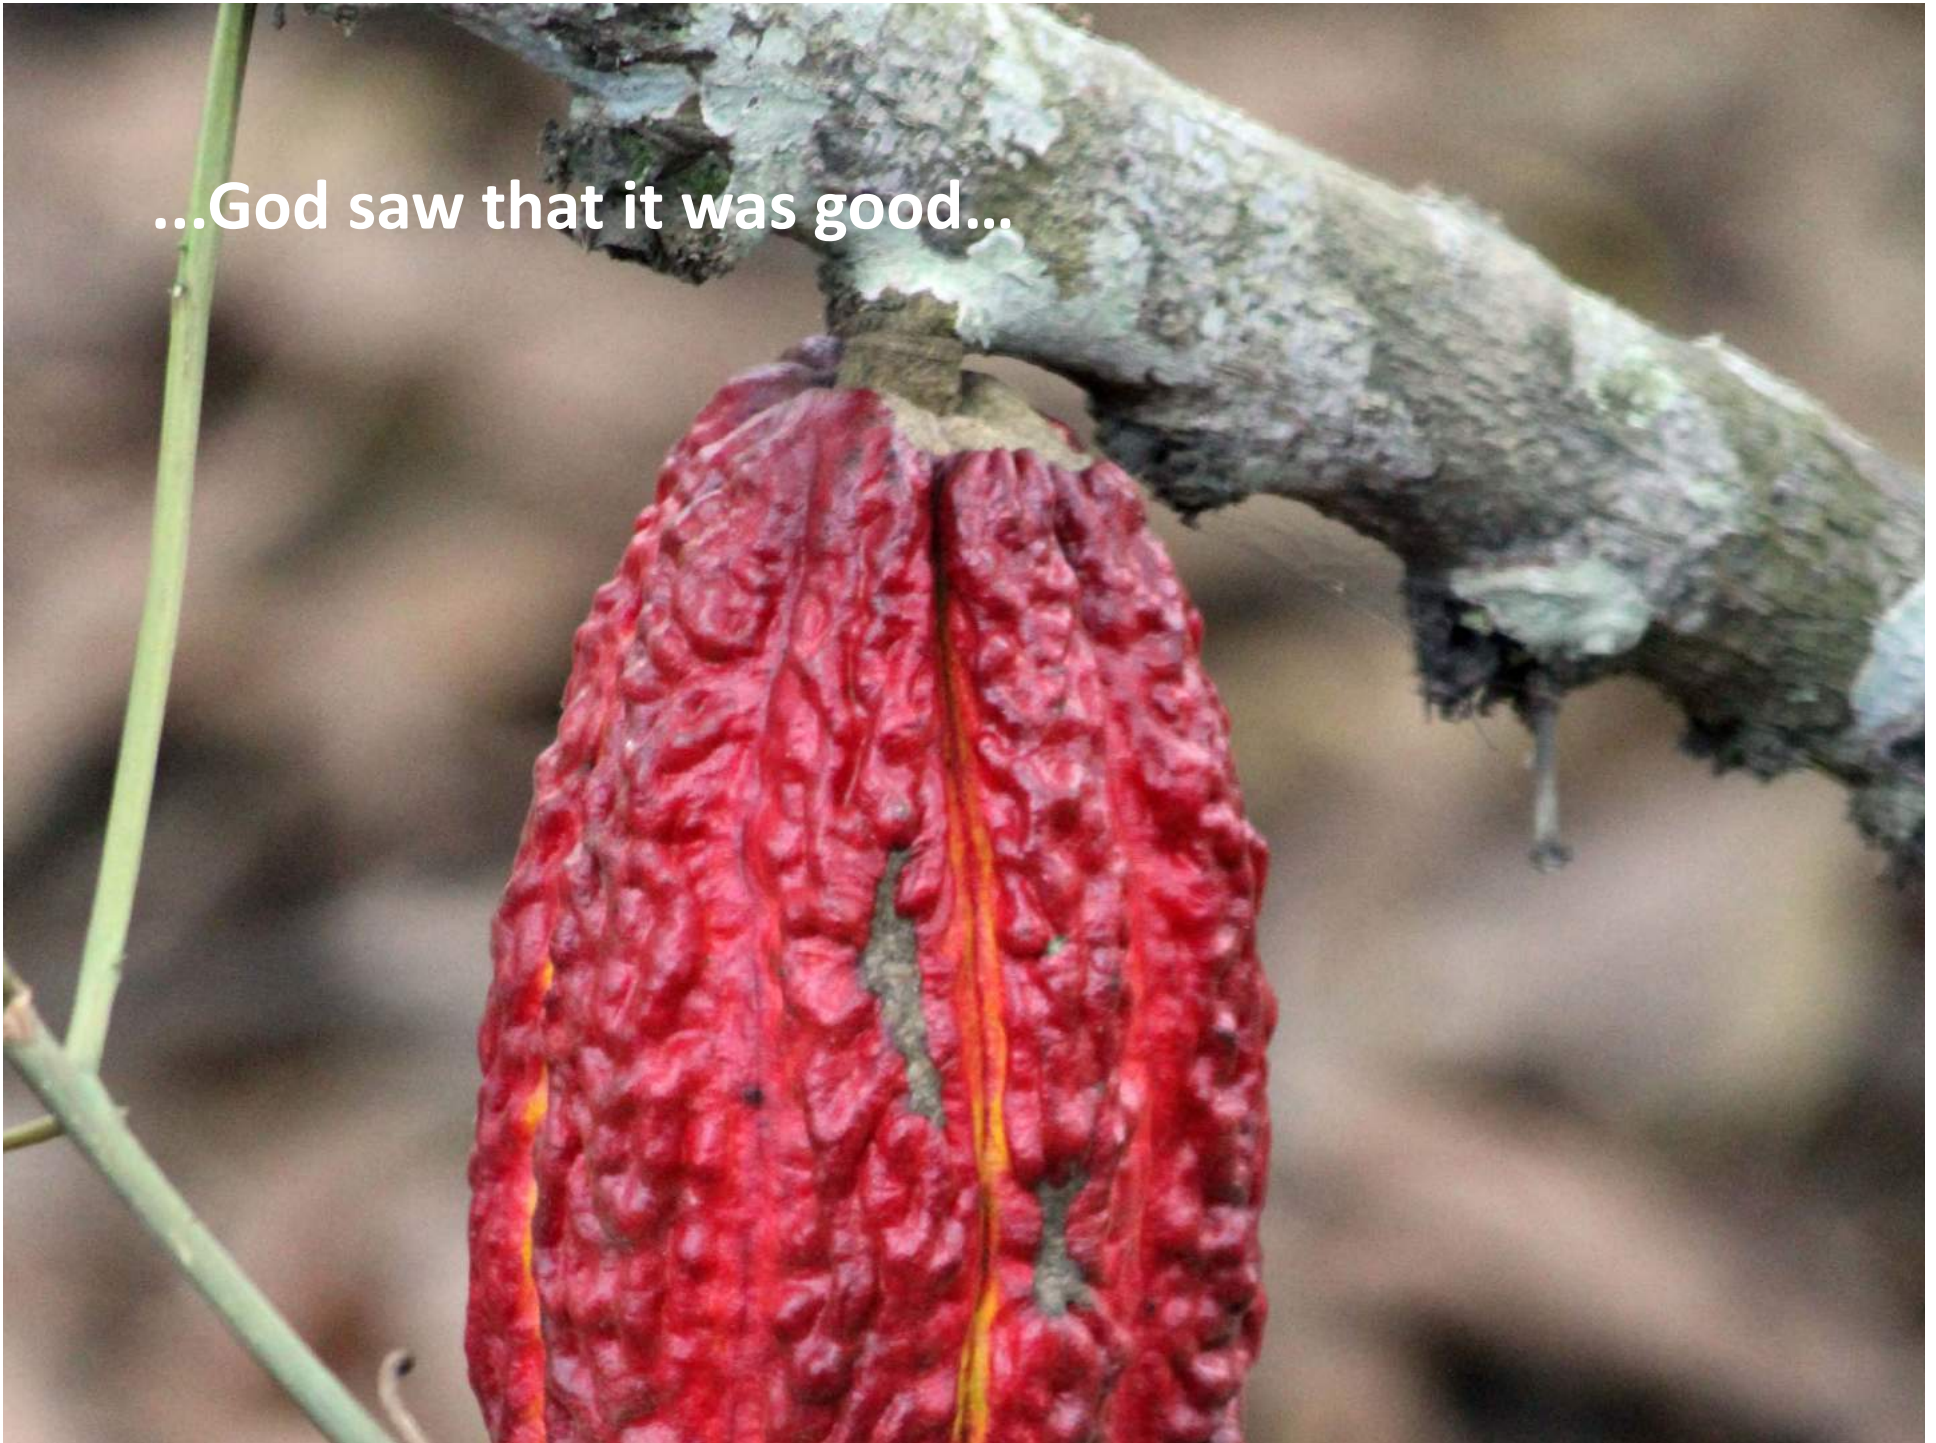

...let the earth put forth vegetation...

...fruit trees of every kind...

...God saw that it was good...

The fourth day...
...let there be lights...

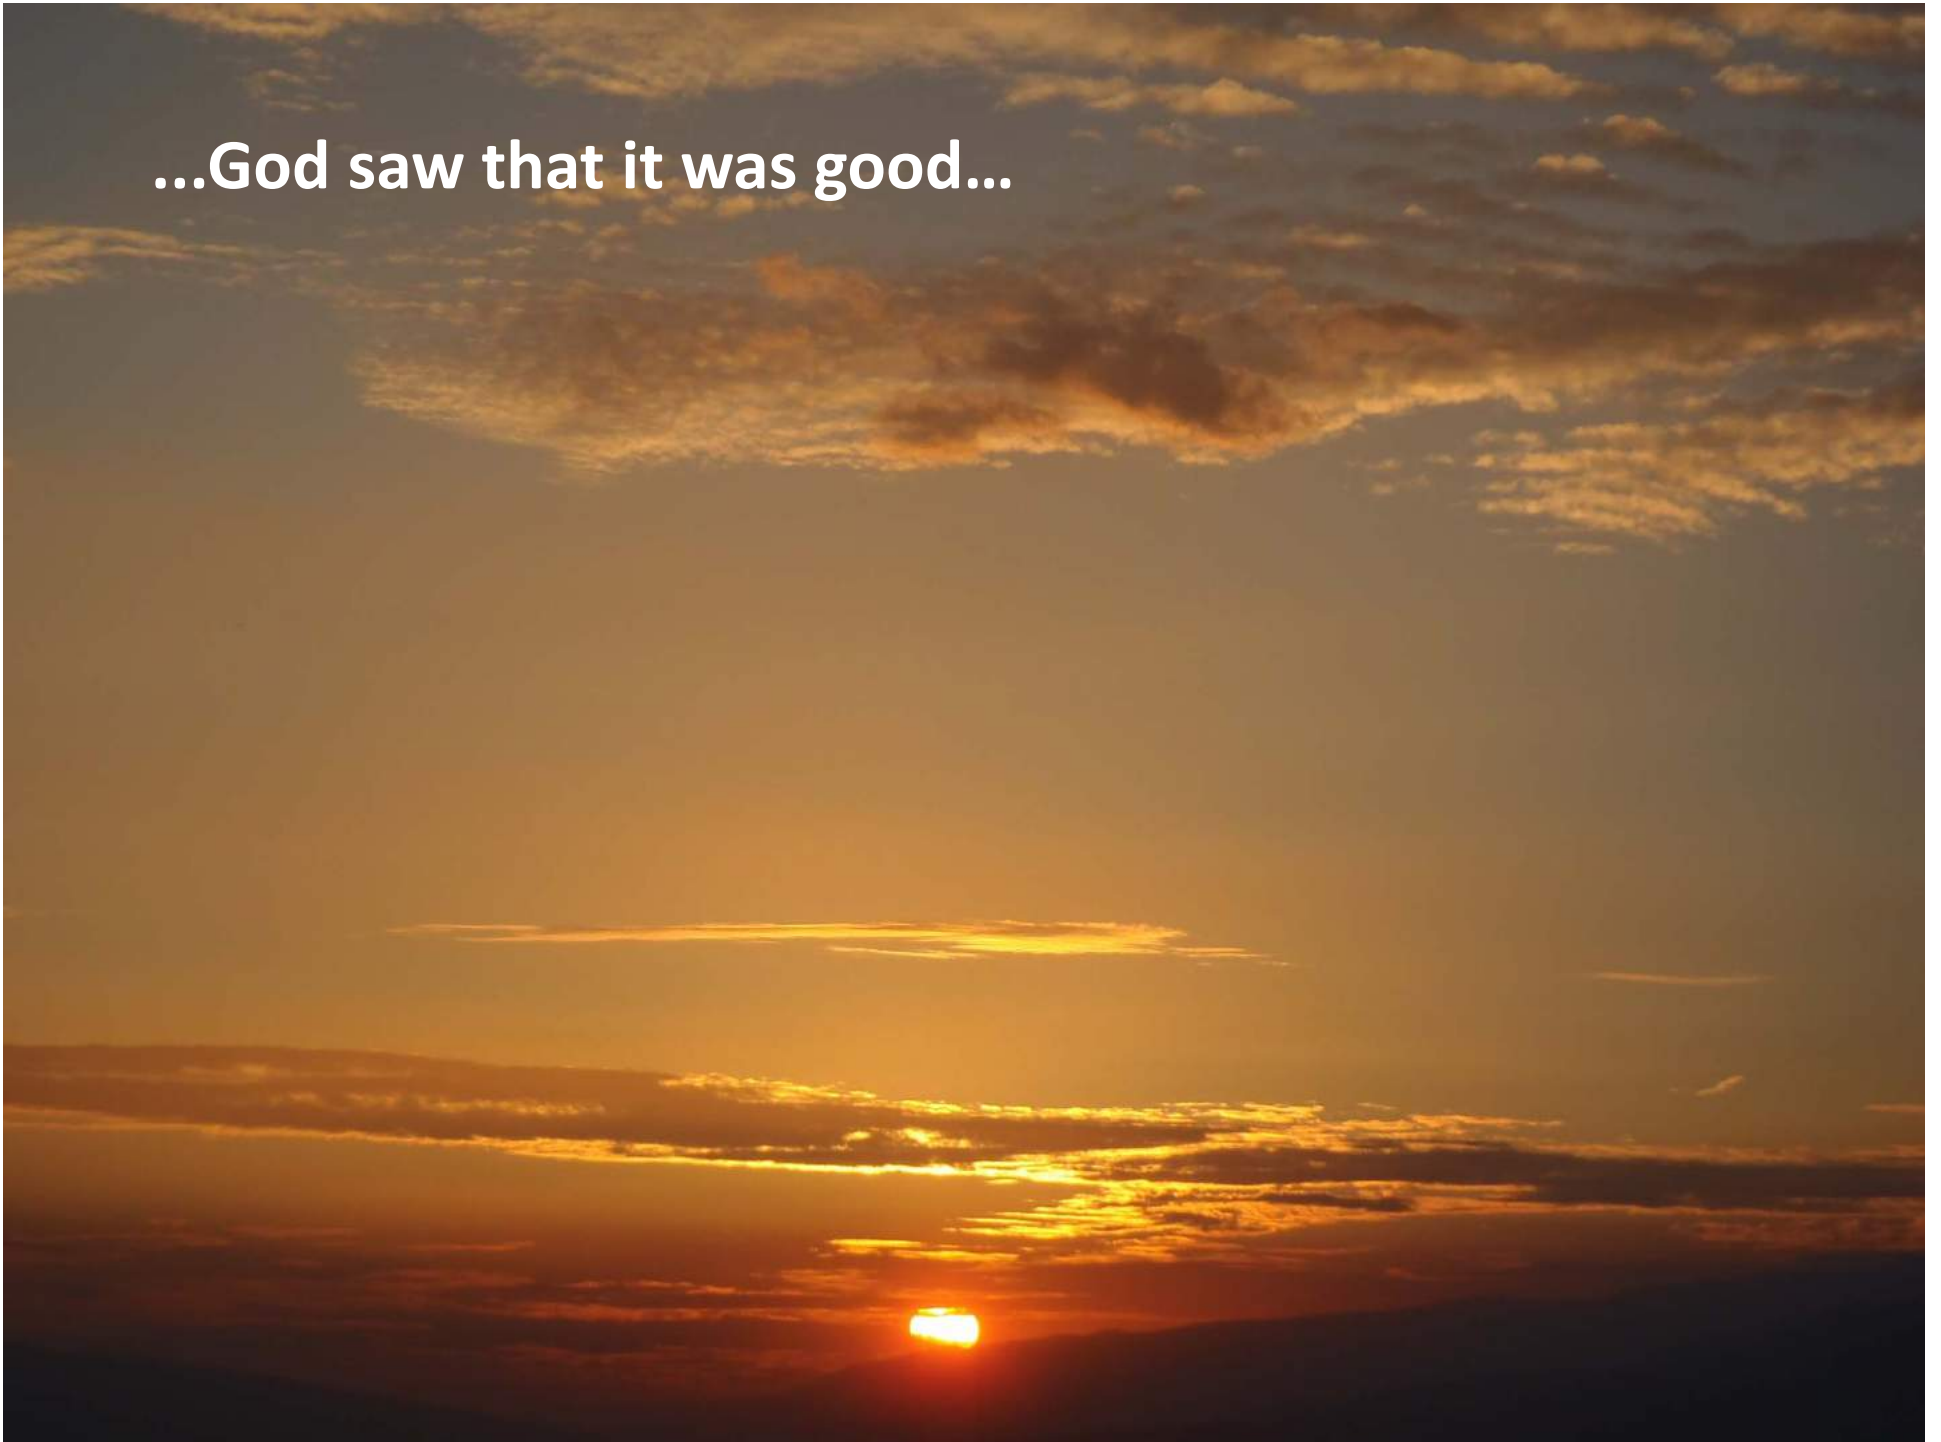

...the greater light to rule the day...

...God set them in the dome of the sky...

...God saw that it was good...

The fifth day...
..Let waters bring forth swarms of living creatures...

...let the birds fly...

...God created great sea monsters...

...every living creature that moves...

...God saw that it was good...

...Be fruitful and multiply...

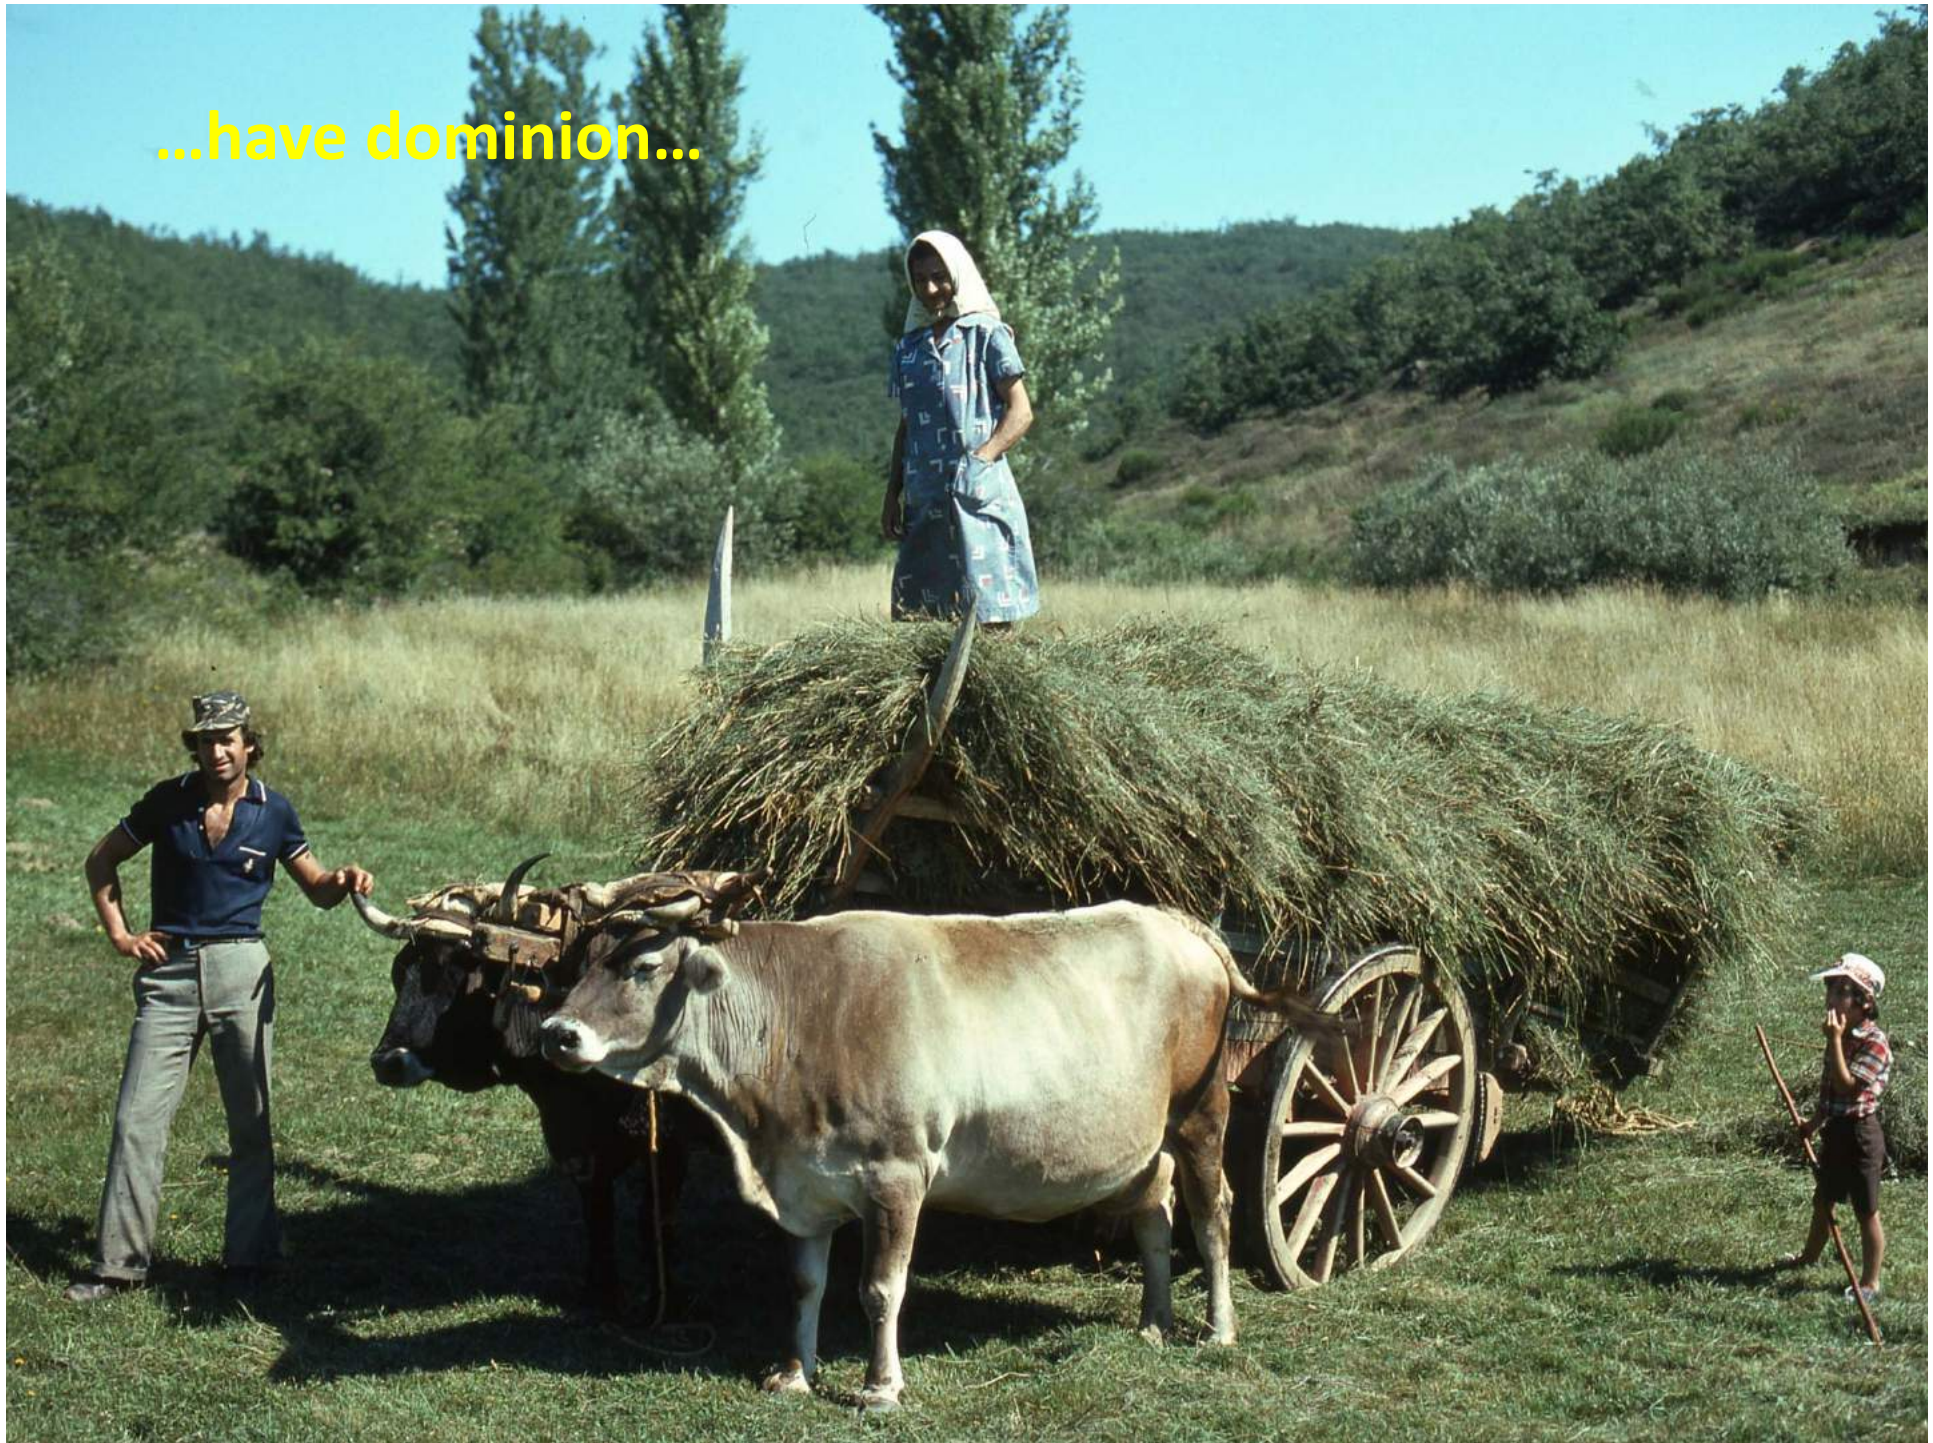

The sixth day...

...Let the earth bring forth living creatures: cattle...

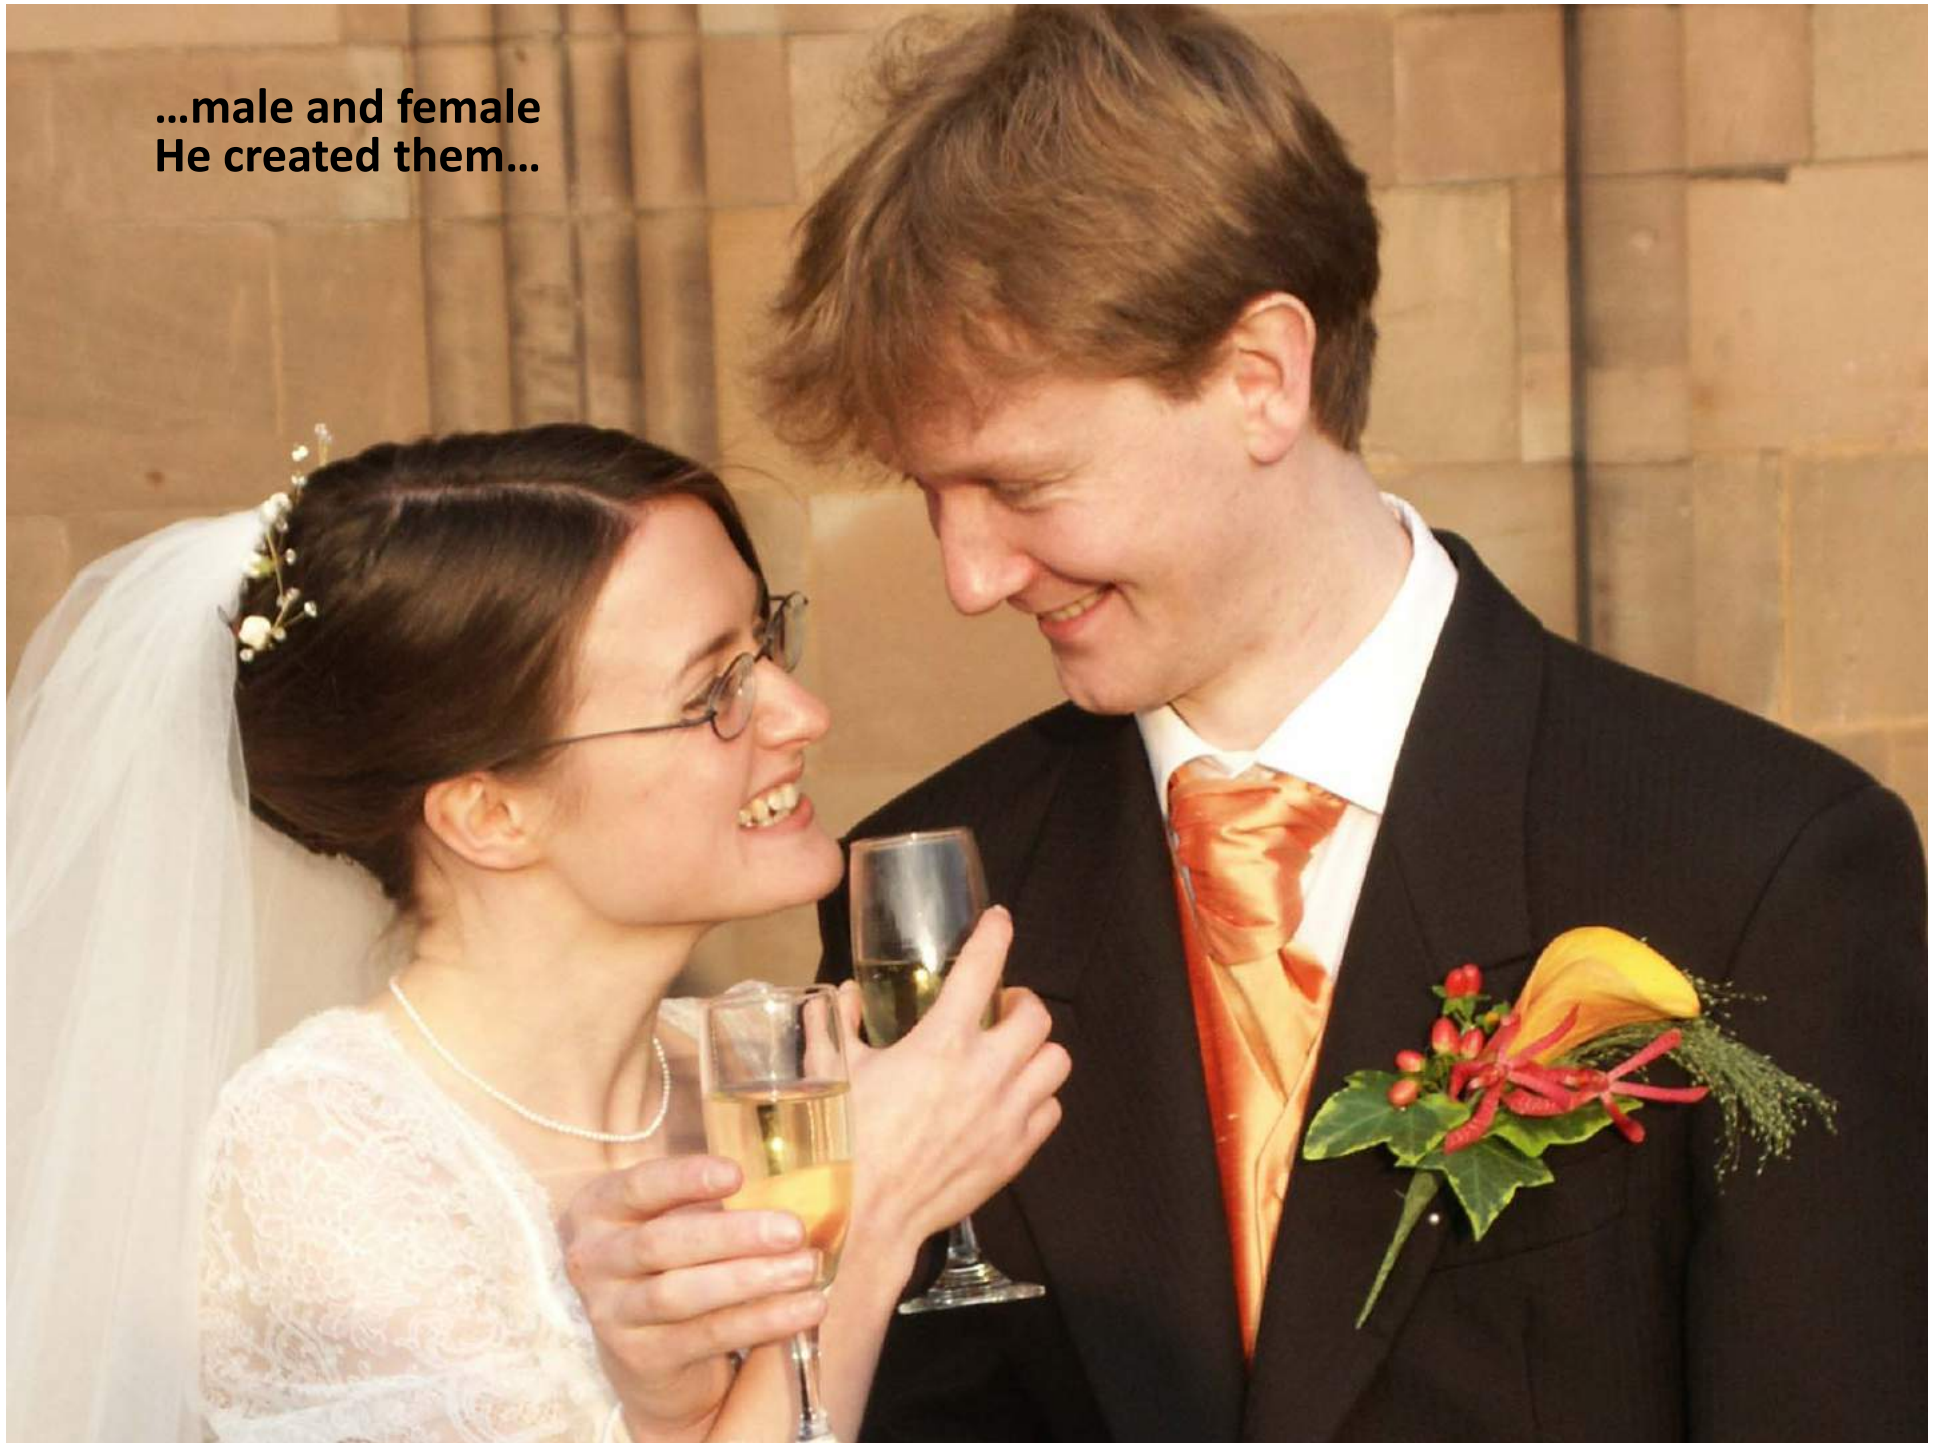

...have dominion...

...humankind in his image...

**...male and female
He created them...**

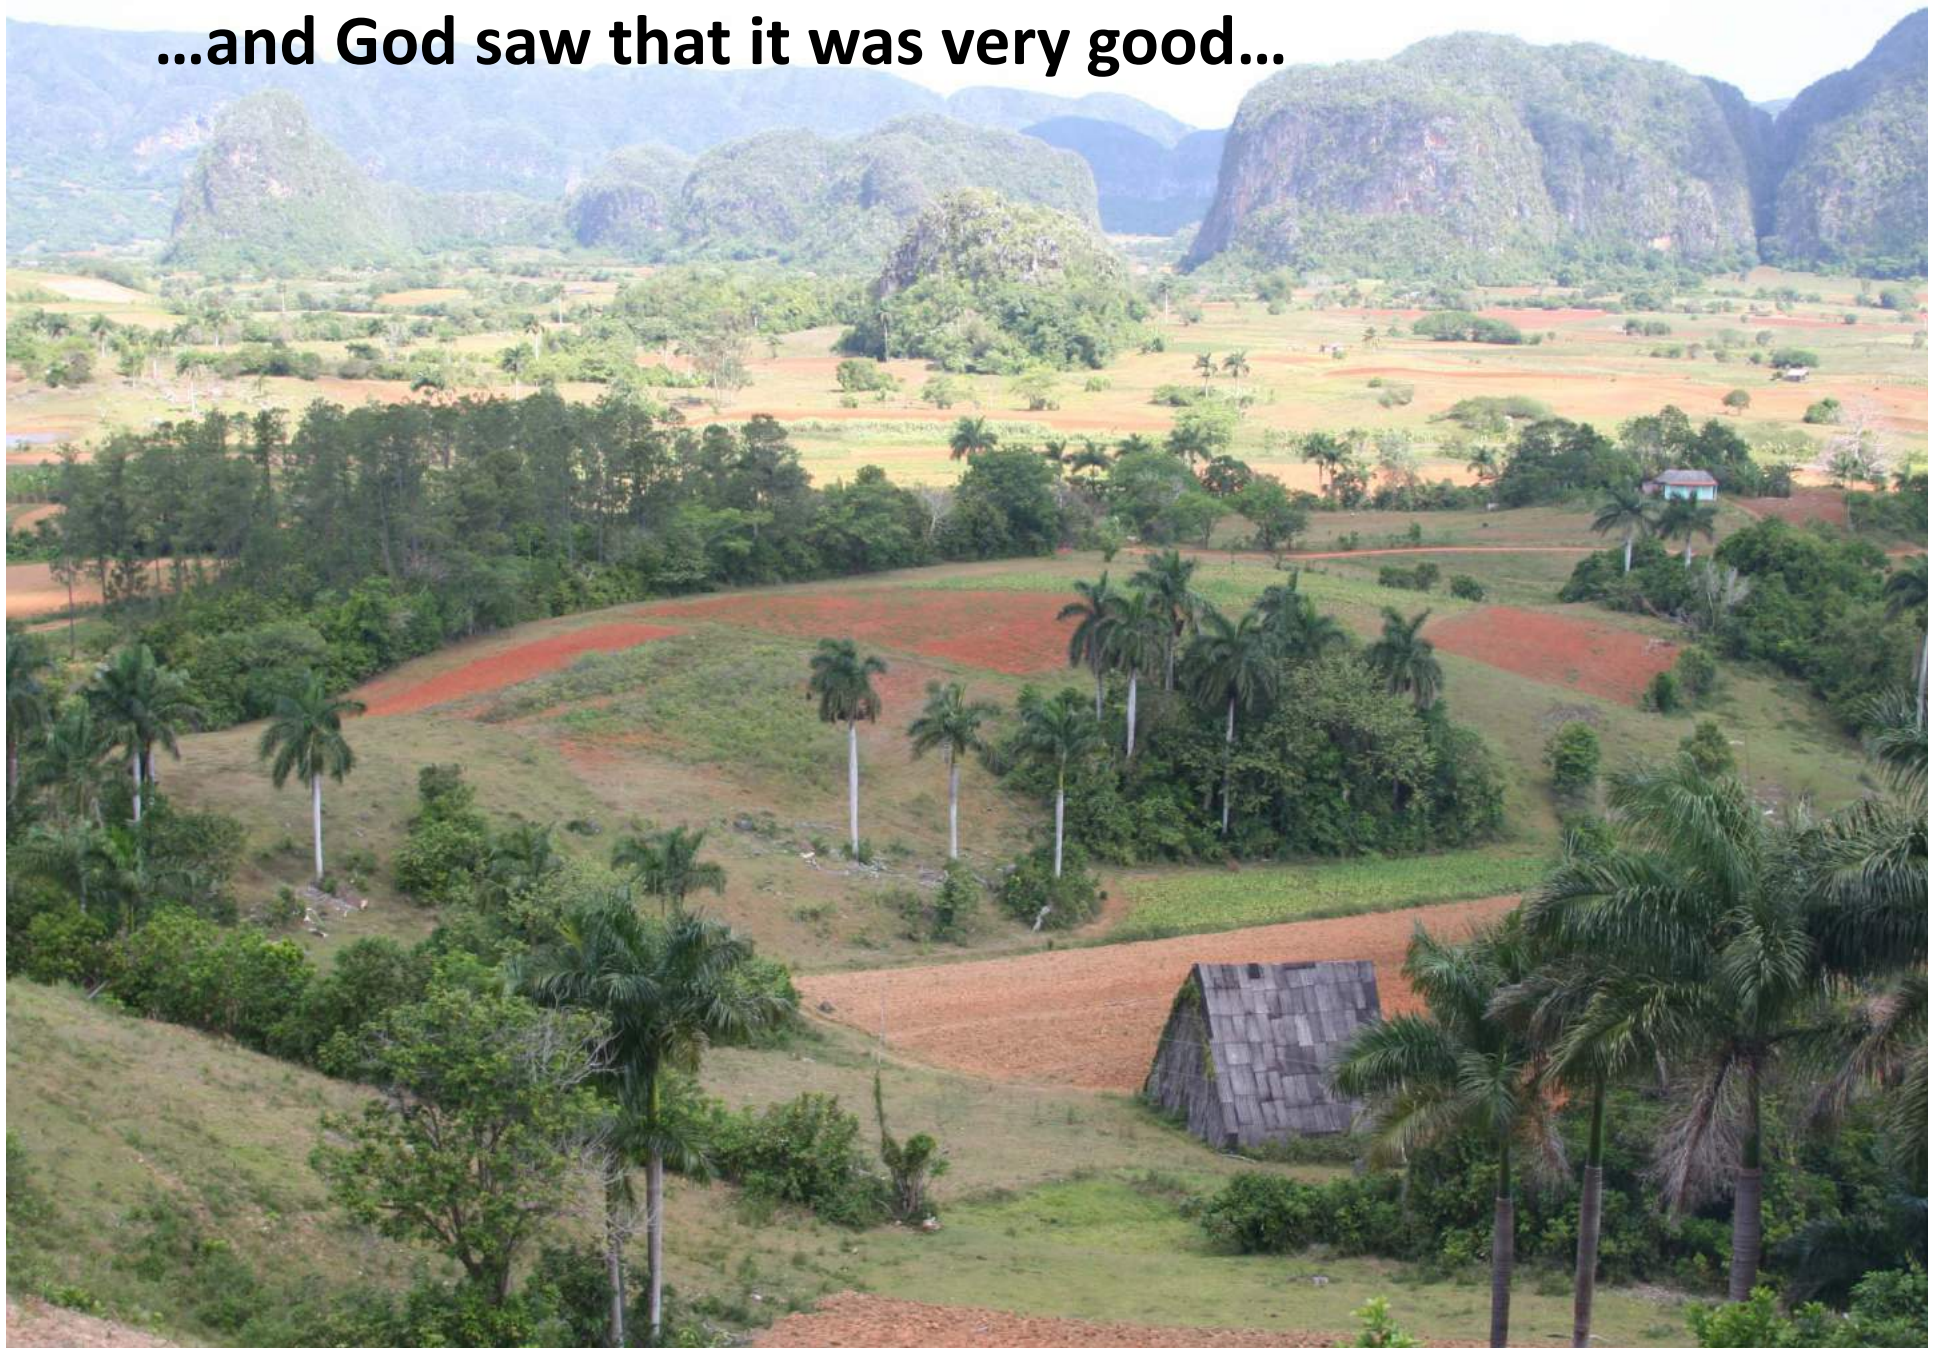

...Every plant yielding seed...

...Every tree with seed in its fruit...

...and God saw that it was very good...

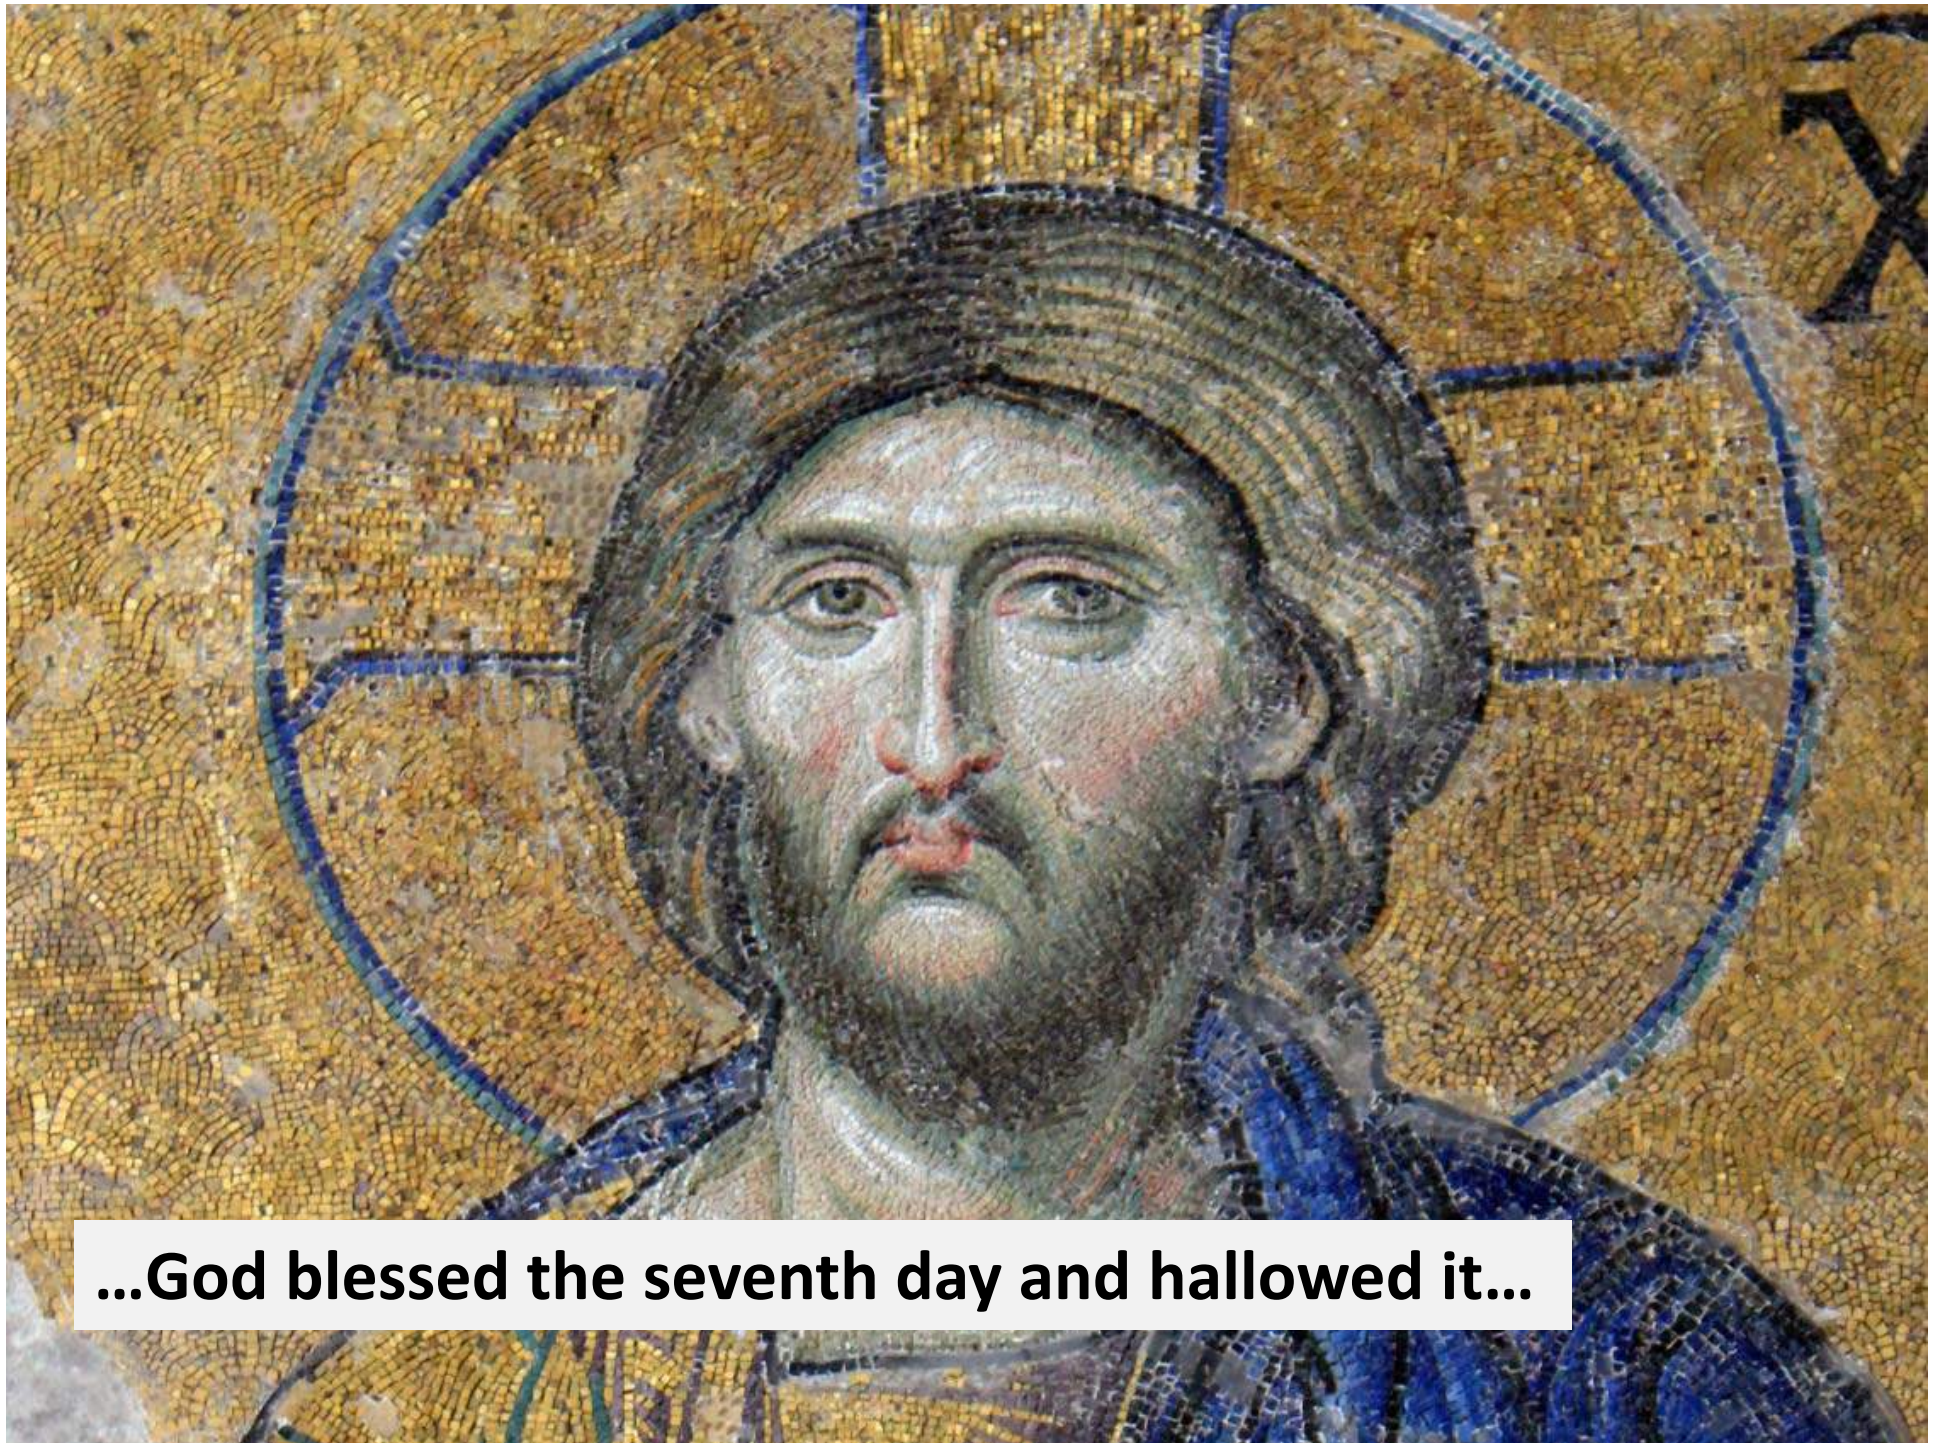

...Thus the heavens and the earth were finished...

...on the seventh day, God rested...

...God blessed the seventh day and hallowed it...

**...These are the generations of the heavens and the earth
when they were created.**
